Dear Residents, Family and Friends of Heritage House. My name is Lisa Jones and I am the new Executive Director for Heritage House. I am a seasoned healthcare professional bringing nearly 30 years' experience advocating for our senior population. I am so excited about the new ownership of Heritage House and their plans for the community.

“We wish the new ownership of Heritage House a wonderful journey forward with the facility. We leave it in good hands.”

COMMUNITY UPDATES

We are excited to report we have finished our extensive landscaping cleanup including the atrium and the outdoor shed. We have also begun painting new units available for new residents. We have created an office space for the executive director and resident care director.

Our new pharmacy is Guardian Pharmacy. As we look to offer more services and options to our residents, we will introduce new third-party provider options. Our Community Physician Group is Tampa Family Medical Center: Dr. Hernandez and Steven Layton, P.A. We are also offering home health, on-site dermatology and podiatry provider options.
